**ALLISON HARMON**  
AGE 16 CONNEAUT HIGH SCHOOL

Allison consistently takes initiative and goes above and beyond in the activities she is involved in. One example is her work organizing the school's Winter Formal, where she spent many days after school planning decorations and coordinating details to create a fun and welcoming environment for her classmates. She even arrived early to the event to ensure everything was perfectly set up. While it was a class effort, Allison took on much of the responsibility to help ensure the night was special for everyone. She also led the effort to organize a basketball Senior Night celebration, arranging funding, purchasing gifts, and decorating the gym to honor the graduating players. Through these experiences, Allison has demonstrated strong organizational skills, responsibility, and the ability to lead and collaborate effectively with others.

Beyond her leadership, Allison is known for her selflessness and humility. She rarely seeks recognition and instead focuses on making others feel valued and included. She is highly involved in school and her community, participating in majorettes, volleyball, basketball, serving as a class officer, and being active in her church.

Her dedication, kindness, and drive inspire both her peers and teachers, and she continues to make a meaningful and positive impact wherever she goes.
