

JILLIAN NEWBOLD
AGE 17/EDGEWOOD HIGH SCHOOL

Jillian's involvement in 4-H has instilled in her the values of community service, and she truly strives to make the world a better place. Jillian has received recognition and numerous awards for her artistic abilities, academic achievements, and 4-H involvement but is most proud of her volunteer work with the Ashtabula Board of Developmental Disabilities and her participation in the Hearts of Gold show at the Ashtabula County Fairgrounds. She has dedicated 280 hours as a counselor at Camp Whitewood, she is a member of Youth Philanthropy, Youth Leadership Ashtabula, the Principals Advisory, a member of National Honor Society, a member, squad, and section leader of the Edgewood Band, and a four-year member of the swim team.

When asked what she hopes her future holds, Jillian said, "Achieving my goals, such as becoming an animal bioinformatics scientist and contributing to cattle breed preservation through genetic testing and data analysis, is my definition of success. I aspire to attend Texas A&M University and operate a small farm where I can raise and breed 4-H calves for future generations to participate in fairs."
